Part I: Reference Card and Work Cited Information

For this section you will need to get the information on the article need for an MLA work cited reference and assembled it as it would appear in a MLA work cited reference page for a research paper in the space below. Go to class web site if you have forgotten how to do this.

Part II: The Issue and its Social Relevance

List at least A) four key issues the author wants considered by the audience and B) for each at least one sentence explaining the relevance of this issue.

1. A)

B)

2. A)

B)

3. A)

B)

4. A)

B)

Part III: Summarizing the Article

In the space below summarize the article. It should be no less than two-paragraphs but no more than this page giving me good idea of what the main features of the article are.

Part V: What can be done?

In not less than two-paragraphs but no more than this page explain what you believe can or should be done and what you might do to affect the problem.

Part IV: Determining the Author's Tone

In a paragraph not more than this page determine whether the article is more subjective than objective or more objective than subjective. Provide specific details and at least two specific quotes from the article as evidence for your claim. Persuade me that you are correct.
